20th March 1922.

Dear Mr. Johnson,

Your letter of the 16th could not be replied to at once, as the question was still under consideration. Sir Kantaraj Urs is going on leave, preparatory probably to retirement, Mr. Banerji will act for him, and in all likelihood succeed him permanently.

You may use this information, but do not say that you have had it from an " Authoritative source " :

I was sorry to hear that you, rather your car was the victim of an accident. I am glad you escaped unhurt, though the car was unfortunately seriously damaged. I hope this will not interfere with your Coty trip. I may be coming to Bangalore myself on the 29th. I'll let you know the exact date.

Yours sincerely,
